"Cock size is very important to me, and if a girl says it isn't she's just lying. When I fuck myself with my dildo I like a good seven inches, but when I'm with a man I don't settle with anything less than nine inches and it's got to be thick and fat too!" SNOW LIMITS!

AyA few days after Christmas last year, I awoke to find several inches of snow had fallen and I eagerly awoke my husband Phil.

I'd always fancied having my photos taken in the snow and now was my chance. We knew our neighbours were away but were unsure when they were due back.

They were a couple of blokes in their thirties who were renting while they worked in Hull. I hadn't spoken to them, but I did think one of them was gorgeous.

I dressed in my open cup bra and just my stockings, suspenders and ankle boots. It was freezing and after several poses I came in to get warm.

Phil poured me a large brandy which I drank in one go. I felt it warm up my body and my clit started to throb as I got horny.

The last shot was of me on my hands and knees and when Phil had finished I made a grab for his flies and unzipped him.

His cock was still soft but after a few seconds of sucking he had a major woody.

Suddenly he gasped that someone was coming, but I misheard and prepared for a mouthful of spunk.

I froze when I heard a loud cough and looking round I saw our two neighbours looking at me open-mouthed.

They did not seem too happy at what they saw so I hurried inside leaving Phil to try and stuff his boner into his jeans.

He stayed outside and tried to apologise to the two blokes and then he came inside looking stony-faced. I thought maybe the police were getting involved.

Then Phil told me the men wouldn't complain as long as they could watch another photo shoot.

I readily agreed and told Phil I hoped it would go much further. This seemed to please him very much.

I dressed in my red basque and put on a Christmas hat while Phil went down to fetch the guys. We had a couple of large drinks before I got down near the tree and started to pose while Phil snapped away.

I slipped out of my basque to reveal my pert tits and I noticed telltale bulges in the blokes' jeans.

My nipples were quite erect, but Phil suggested Shaun and Dean give them

a good sucking to get them even harder. They were off the settee in a flash and I was soon moaning in pleasure. Phil put a cushion under my head and as I lay back I felt their hands exploring my pussy.

As Shaun fingered my wet hole, Dean played with my clitty until I came with such force that my screams startled them both. I was desperate to feel some cock in me and I made a grab for both the fellas' cocks. Shaun's was just how I imagined it - nice and fat and long.

Although Dean's cock was quite long, it was very slim and a wicked smile spread across my face as I thought where that one would be going.

Dean must have read my mind as he said he would love to fuck me up the arse. I positioned myself on the floor and lifted my arse in the air for Dean to fill.

I took Shaun's monster in my mouth and started to give him the blow-job of his life. I gasped as Dean thrust into me then screamed with pleasure as Phil slid under me and lapped my cunt.

"My boyfriend has no idea I'm doing this! I'm just totally bored of my life. He's always out at the pub with his mates and he's so pissed when he comes home that he passes out and doesn't want to fuck me! All I want is a big fat cock in my hairy pussy or up my tight bum hole! Is that really too much to ask?"

TRUE CONF

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

HAVE YOU EVER HAD A THREESOME?

Last year I went on holiday with a load of mates to the Greek island of Cos.

There were six of us sharing two rooms – three girls and three boys. We split the rooms into a girls' room and a boys' room.

They didn't want jam-rags down their toilet any more than we wanted the room smelling like a gas chamber in the morning. We were there for two weeks and we met loads of people and had a really great time. However, the steamiest sex session we had didn't involve anyone we met over there. It happened when me, my best friend Sophia and a lad called Andy decided to stay in one night while the others went out.

It was towards the end of the holiday and we were just too fucked to go out after eleven consecutive nights on the sauce.

We went out onto the balcony and started playing cards in the balmy evening. After about an hour of play, we must have felt more alive because Andy suggested we added a drinking forfeit. We were playing cheat, and we decided anyone who got caught cheating would have to take a slug of ouzo.

Well another hour down the road we were all quite pissed. The cards had been forgotten and we were all drinking happily and chatting away. We decided to retire to

WE BOTH OPENED OUR MOUTHS AND STRAINED TOWARDS HIS COCK LIKE HUNGRY CHICKS

the bedroom. We all got on one bed and took it in turns to ask rude questions. Andy was in the middle with Sophia and me either side of him. It was my turn to ask a question so I asked Andy if he had ever fantasised about Sophia. He looked a bit sheepish and admitted he had. Next Sophia asked me if I had ever had a lesbian experience and I confessed that I had.

After that Andrew asked Sophia if she had ever had a threesome and she replied she hadn't but she wouldn't mind one.

It didn't take a genius to work out what was on the cards. There was a minute or so of silence following that last question, after which Sophia leaned over and started snogging Andy. She had one hand on his balls and I put my hand on top of hers to help her rub him up. Then I traced my fingers up her arm and started to rub her tit through her top. I could tell she was turned on because her nipples were rock solid.

As Andy and Sophia kissed more passionately I straddled his lower legs and started unbuttoning his trousers. I pulled them off and then eased his boxers down.

His cock sprang out and I leant over him and started to suck him off. As I licked his cock over I felt Sophia get up off the bed.

Then I felt her hand delicately removing my skirt and sopping knickers.

I had one hand at the base of Andy's dick and I slowly wanked him off as I ran my tongue over his bulbous purple helmet.

Behind me Sophia was getting me in just the position she wanted me. She pushed my back down so my arse was right up in the air. Then she spread my knees and pulled my thighs apart.

I gasped with pleasure as she licked my quivering pussy from my clit to my arsehole.

She repeated this motion, lapping at my pussy with long strokes of her tongue.

It felt amazing sucking a big fat cock while a girl licked my pussy from behind.

When Sophia repositioned her head and started tonguing out my arse I squirmed in delight. I'd never had that done to me before, especially not by a girl! She rubbed my clit with her hand as she did so, making me cream like mad.

After I'd cum I shuffled forward and

CONFESSIONS

straddled Andy. Cocking one leg and holding the base of his boner in one hand, I impaled myself on his beef-bayonet. I began riding him like a cock-jockey as he gripped my arse with his hands.

Sophia was now keen to get her own pussy attended to. She stripped off all her clothes and got on the bed. She squatted over Andy's head and lowered her pussy over his face, facing me. It was great for me because as I was getting a good fuck I could watch Andy slurping away at Sophia's cunt and see the ecstasy on her face.

While Andy did his level best to keep us both satisfied me and Sophia leaned forward to kiss each other. I threw my head back and stuck my tits out for her to suck.

She leaned forward and closed her lips over each nipple in turn, flicking and licking them with her tongue.

Then we both sat upright and used our fingers to rub each other's clits as our cunts got a seeing to from Andy's cock and mouth. We moaned to each other about how close we were to cumming and gave each other instructions where to touch each other and how. We timed it just right so we both came at the same time, showering Andy's balls and chin in love juice.

Then Andy decided to return the compliment. Ordering us up, he made us get off the bed and kneel down in front of him. Then we wanked himself off into our faces.

We both opened our mouths and strained towards his cock like hungry chicks. When he did cum he had plenty to go around, spraying reams of it over our tongues, our faces and even on our tits.

We didn't tell the others what had happened when they returned, but I reckon Andy must have boasted about it in the pub to his mates by now. I mean you would, wouldn't you?

DO YOU HAVE A DILDO COLLECTION?

I think a dildo is a woman's best friend. I've got several of different shapes and sizes. I have got one really big cunt-buster, but I only use that on special occasions.

I WAS SO TURNED ON BY THE STRAP-ON IN MY TWAT AND THE THOUGHT OF SCREWING CHLOE WITH IT THAT JUICE OWED FREELY DOWN MY THIGH

A dildo doesn't have to be that big to do the job. I have got five in all. The massive one, a jelly-feel one which joins me in the bath, a double intruder, a small slim affair which comes in my handbag everywhere I go and, the pride of my collection, a large black strap-on with leather strap. I'm bisexual so the strap-on gets quite a bit of action. I've even stuck it up a couple of blokes' arses!

I remember the first time I used my strap-on. I bought it from a sex shop and when I got it home I couldn't wait to use it.

I was casually seeing this girl called Chloe so I decided to give her a ring to see if she was up for a shag. Of course she was. She said she'd be round in half an hour or so.

I could hardly wait for her to arrive and I got everything ready. I had tried it on for comfort and got a big bottle of lube out.

When I took it off again I couldn't help myself from dripping lubricant all over it and testing it out on myself. I got on the bed on all fours, the position I wanted to fuck Chloe in, and slowly inched it inside my moistening pussy from behind.

It felt really great, nice and thick and hard. I pumped it in and out of myself, closing my eyes and imagining I was getting fucked doggy-style. I was so turned on by the strap-on in my twat and the thought of screwing Chloe with it that juice flowed freely down my thigh. I heard the doorbell buzz and almost creamed in anticipation.

I whipped the strap-on out and wiped it off. I let Chloe in. She is a fucking sexy little minx. She's short and very petite, has a fantastic lithe figure and is tremendous in the sack. Like I say, we had a casual thing going – we were good friends who happened to like fucking each other.

I couldn't wait to get cracking so I told her I had something to show her. Her eyes narrowed in a crafty way when I showed her my purchase. We started kissing straight away and I told her I wanted to fuck her hard. I was very passionate because I was gagging to nail her. I ran my fingers through her hair and lifted her top over her head. She had no bra on and her pert tits sat nicely in front of me.

I lowered my mouth around them, kissing and flicking at each erect nipple with my tongue. Then I nudged her round towards the bed, still sucking her tits, and laid her down. I pulled off her shorts to reveal the

WHAT'S YOURS?

My wife Claire and I were in our local pub one day and the drink had got the better of us. The barman Tom was giving Claire a lot of attention all night and she was loving it.

I needed the toilet and was not surprised by the sight that greeted me on my return.

Claire was drooling over Tom and told me she had invited him back for a drink.

Now my wife loves to tease and she had on a tight white top which her nipples poked through, a short leather skirt and white stockings.

Back home we all sat down with our drinks and my wife asked me in front of Tom if I'd mind if she sucked his cock (many a time have I told it is my fantasy to watch her with another bloke).

"Sure," I told her. She took off her skirt, knelt down and undid Tom's trousers. He was already rock hard and I couldn't blame the lad.

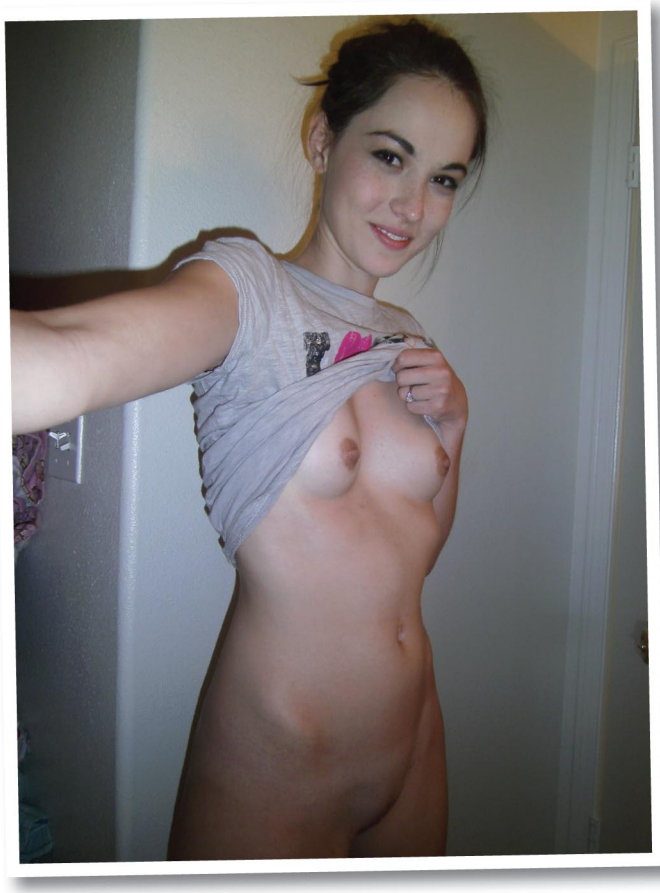
She sucked so hard the noise she was making was very loud. By now I was wanking myself silly and she then started on me.

Seeing her with two cocks in her mouth was fantastic. She sucked slowly at Tom's nine-inch chopper like a complete slut.

After a while she just knelt down with a cock in each hand and told us to cover her face in spunk, which we did with gusto.

She sucked every last drop of spunk from both our cocks and then said goodnight to Tom and went to bed.

I followed her upstairs to find her playing with her favourite vibrator. She told me to take some photos. We have since met up with Tom on numerous occasions and Claire wants to try three cocks next.



MAN MEET

I'd arranged to meet this man who I'd talked to on the internet. When he asked to meet me at a local hotel I couldn't wait to see what he looked like.

When I got to the hotel he was standing at the bar. We got a drink, sat down at a table and started to talk.

He asked if I was married. I told him I was and that my husband worked away a lot. We drank and talked for a couple of hours before we went up to his room for a coffee.

He asked me to join him on the bed and as I did he pulled me close and kissed me.

I got up and took off my boots and then took off his shirt.

Next there was a knock at the door. He asked who it was but no reply came so he opened the door. My husband stepped into the room and asked me what I was doing.

He walked across the room and, lifting me off the bed, ripped my blouse off. He said, "If you need fucking, don't be shy, let's get started!"

He told me to sit on my knees on the bed. As I did so he took out his big juicy cock and told me to suck it.

As I sucked him I felt my skirt being lifted and a tongue licking my pussy. After a while my hubby's cock jerked and he filled my mouth with hot juicy cum.

Spunk ran down the sides of my mouth.

My hubby pushed me onto my back and told the other guy to fuck my cunt.

He fucked me hard for about ten minutes until he pulled out and spunked over my arse. Then my husband and my friend sucked my nipples.

I asked them to come up so I could wank them both over my face. I started to wrist them off and couldn't resist a quick suck either. I wanked and sucked the two cocks until they showered my face and tits with thick sticky cum.

KIMMY

And why does she call herself 'Kimmy Cumlots'? "You'd think it would be because my pussy gushes when I have sex, but it's atcually the opposite, not that I don't cum though, because I do. It's more to do with the fact that I make men cum lots. I can milk a pair of balls and ride a cock like no-one else. That's how I got the name!!!"

SNAPPY HAPPY!

I have been a member of my local camera club for about fifteen years and it was through this that I met my wife Donna.

She had originally joined as a member but had been persuaded to act as a model when we had been let down. We often go out into the countryside to take photos together.

We recently spent a lovely afternoon taking pics in some fields near our home.

It was during our session that my wife noticed somebody standing on the edge of the field watching us.

I could see she was very excited by this because normally she just does 'arty' poses, but this time she seemed to be getting more and more adventurous.

She began flashing her knickers and pulling the top of her dress down to expose her nipples. I certainly wasn't going to stop her and I continued snapping away.

When we looked again we saw that the man had moved closer and was now only about twen-ty-five yards away, although he was still standing behind a hedge outside the field.

Imagine my shock when my wife suddenly stood up and beckoned to him to come over and join us. He came straight over, pausing to tether his dog to the stile.

He was in his early twenties and introduced himself as Grant. Then he settled on the grass to watch the rest of our photo session.

Of course having an audience was just what Donna wanted. She got more and more explicit in her poses, pulling at her nipples to make them stand out.

Then she removed her knickers altogether so her pink pussy was exposed to the sunshine. I had a huge hard-on which I was desperate to do something about, but Grant beat me to it!

He leaned over and started to lick Donna's nipples while stroking her thighs.

She relaxed against him and let her legs flop open to show her pussy glistening with juice.

I couldn't resist getting between her legs and licking her swollen clit, flicking it with my tongue and pushing my fingers deep inside her.

When I looked up I saw that she had Grant's dick in her mouth and was frantically sucking him off. This was too much for me and I released my own cock from my jeans.

I knelt on the other side of her, offering my dick to suck. For a while Donna sucked us both off, taking it in turns to stuff her mouth with our swollen cocks.

Then Grant moved down her body and parted her pussy lips so he could push himself up her slippery cunt. The sight of my wife being fucked by someone else was incredible.

I started to cum in jets of spunk, totally covering her face and throat. Then I saw her stomach tighten and knew she was reaching orgasm.

I covered her tits with my hand and squeezed her big hard nipples between my fingers. Grant's breathing sped up and suddenly he withdrew, making Donna gasp.

He aimed his cock at her clit and pumped what seemed like gallons of hot sticky cum over the sensitive bud. Here are some of the photos for you to enjoy!

We asked Paige to come along to our local Sparky shop for a raunchy shoot and she was more than up for ir. "I like dressing up for shoots but I enjoyed turning up at the Electrician's shop as a damsel in distress, doing a little bit of role play. Needless to say my problem got fixed and I left the building more than slightly fulfilled, I mean 'filled'!"

Mye, that is one hairy bush!!! "Thank you? I know that it's not everyone's cup of tea but my husband loves it. I'd always been cleanly shaven before I met him and he convinced me to let it grow out. I don't care, a dick feels the same inside me with hair or without and when he goes down on me it's like nothing I've ever experienced before!"

We couldn't have been happier than when Claire pulled out her little dildo! "Oh this is all I need to get myself off," she told us with a big grin. "Men get so hung up on the size of their cocks, but it really doesn't take all that much to get me off. Batteries do help though!"

TRUE CONF

...CONTINUED FROM PAGE 25

tiniest of G-strings, already wet. I kissed her thighs and worked my way to her sweet pussy. Pulling her G-string to one side, I gently kissed her shaven mound.

I began to lick her puffy pussy lips up and down. She started to breathe heavily as I applied more pressure with my tongue. By the time I reached a finger round to rub her clit, Chloe was writhing on the bed and running her hands through my hair. I pushed my tongue inside her as far as it would go and frigged her clit. Soon she rewarded me by cumming juicily into my mouth.

I then took her panties in my teeth and peeled them down over her thighs and off.

I told her to turn over and I slapped her arse, the universal sign for 'get in the doggy-style position'. She obeyed wordlessly, curving her back low and sticking her arse up in the air.

I got of the bed and started to buckle up the strap-on. Chloe was literally trembling with excitement as she looked over her shoulder to see me gearing up to fuck her.

As I pulled the last buckle tight I slapped Chloe hard on the arse and she moaned out loud, desperate to be done. Her pussy was already dripping so I didn't bother with any lube. Instead I kneeled down behind her on the bed and parted her pink pussy lips with two fingers on one hand.

With the other hand I guided the end of the phallus towards her hole and, with a nudge of my hips, slid the first inch inside her.

As soon as she was entered Chloe started sighing and moaning. She was as turned on being fucked as I was fucking her. With another slow thrusting motion of my hips I eased another couple of inches inside her. It glided in effortlessly, lubricated as it was by a cascade of cunt juice. With one final triumphant stroke I thrust the remainder of the strap-on into her cunt.

She gasped as my thighs pressed against hers, the entire length deep inside her. I let out a little moan as well, the purpose made bristles on the inside of the strap rubbing against my clit as I thrust.

From there I eased the fake cock almost entirely out of her before plunging it back inside. I continued to take long deep strokes, building up speed as I did.

As my pace increased, so did the frequency and volume of our cries. Chloe had a big plastic cock slamming in and out of her juicy pussy and I was getting my clit massaged while I watched Chloe's pussy stretch. What a beautiful sight!

I TOLD HER TO TURN OVER AND I SLAPPED HER ARSE, THE UNIVERSAL SIGN FOR 'GET IN THE DOGGY-STYLE POSITION'

Chloe had already cum three or four times by the time I felt an orgasm approaching.

I shoved the strap-on all the way inside Chloe and started grinding my hips against it, rubbing my clit like crazy. Her ecstatic cries spurred me on until I was overcome with an incredible orgasm. I writhed and shuddered and screamed aloud.

Later on Chloe took her turn to fuck me with the strap-on, and I could feel why she got so excited. It was fucking great!

Different to being fucked by a guy with a real cock – different, but just as good.

SO DO YOU LIKE COCK AND PUSSY?

Oh yeah, of course I like cock. Just because I like to munch on muff, that doesn't exclude me from getting a good shafting too, you know! I've had roughly the same amount of boyfriends as I have girlfriends,

CONFESSIONS

but I've had more one night stands with blokes than I have with girls.

One boyfriend of mine had quite an impressive cock, I remember. His name was Phil and I was seeing him for a few months before he got pissed off with me copping off with girls all the time. Dozy twat, most blokes would be keen as mustard to join in!

I really wanted to get both my holes plugged at once. Phil's cock was too big to go up my arse, not for want of trying, so I decided I'd use one of my dildos on my arse while Phil slammed my pussy with his cock. I introduced Phil to the idea one night, and as you can imagine he was well up for it. His hard cock was proof of that!

We had a shower together to get in the mood. Then in the bedroom I lay down on the bed and Phil gave me a good long licking out, getting my pussy nice and wet.

Then I got Phil's cock out and sucked it until it was fully erect.

Without further ado I jumped onto the bed and got on all fours.

Phil got in behind me and rammed his big fat cock into my juicy pussy. He began slowly sliding in and out of me, his cock glistening with moisture as it glided back and forth. I closed my eyes and let him drill me for a while.

After a few minutes I was nice and relaxed, just taking a nice easy fucking.

Then I reached into the drawer beside me and pulled out my smallest dildo. I also pulled out a bottle of lube. I told Phil to put his hand out, and when he did I squeezed a big load of lube over his fingers. I told him to finger my arse to get it ready for the dildo.

He kept up a good rhythm fucking me while he inched a finger into my arse, making me gasp as he did. As I rocked forward to the rhythm of Phil's steady thrusting

I applied a generous amount of lube to my trusty dildo. Reaching behind me, I pressed it up against my twitching arsehole.

To my surprise it slid home easily. I began pumping it in and out of my arse in time with Phil's meaty cock.

I got a bit carried away and, chucking the dildo to one side, I told Phil he could stick his cock up my arse. He was over the moon! Of course he was, dirty bugger!

Pressing his big shiny helmet against my ring, he slowly applied pressure. For a while it seemed like it wasn't going to happen but then, as if by magic, my anus acquiesced and his cock popped inside.

He nudged it gradually further inside me until half of his big tool was wedged in my arse. He began to pump it very slowly in and out of me, driving me wild.

I'd never been so full of cock in all my life and I was fucking loving it, creaming like a Friesian. It wasn't long before Phil pulled his knob and out and fired his goo all over my arse.

HAVE YOU TRIED ANAL SEX BEFORE?

One of my boyfriends was an anal aficionado and I have to say at first I wasn't keen but gradually he brought me round to his way of thinking.

I remember the first time he fucked me up the arse. We'd been out for a meal and we polished off a couple of bottles of wine as well. When we got home we were randy as hell and went straight to the bedroom.

He went down on me and licked me out for ages. As he was doing this he slowly inserted his finger into my arse. It felt good and I had no objections. Then after he'd given me a good fucking he got me on all fours.

He knelt behind me and started to lick my arsehole. I was very relaxed and I let him probe away with his tongue. Next he put his cock up my pussy and started slowly fucking me. Then he slid a finger up my arse and started working it in and out as he shagged my cunt. The feeling of his finger and his cock being so close together was starting to turn me on.

I began bucking back against him and he licked another finger and put that up my arse. Finally he pulled his fingers out of me, then his cock. I knew I was about to get fucked up the arse for the first time.

Spreading my bum cheeks, he rested his helmet right up against my tight arsehole.

He didn't do anything, but told me to back onto him. This was good because then I could take him at my own pace and get used to him.

As I nudged backwards he applied a little bit of pressure and between us we inched his cock inside my arse until half of it had disappeared. When I was comfortable he began to gently work it in and out.

After a while he was able to fuck me more vigorously as I really began to enjoy the feeling and frigged myself off.

Soon he was reaming my arse and I was flicking my clit. I had an earth-shattering orgasm with his cock up my arse and as my sphincter clamped on his cock he eased himself out and showered my buttocks with spunk.

I enjoy anal sex quite regularly now – next I am interested in taking a cock in both holes.

Xandra sounds like some sort of Marvel character's names! "The only super powers I have are sitting on a cock and making it come inside me, I'm not bad with my mouth either FYI! I don't really understand all of these women who spit, what better feeling is there than playing with a mouth full of hot spunk and then swallowing it!"

MADE IN ITALY!!!

I'd like to tell you about one night on holiday in Italy. While I'm writing this my boyfriend is fucking me gently doggy-style.

We found a hotel in the Tuscan countryside and were feeling really horny. To our delight we had a four-poster bed in our room.

I've always fantasised about being tied up but this night exceeded even my filthy expectations. My boyfriend blindfolded me with my sarong and tied me tightly to the bed with his rucksack straps. I sighed and all my senses were on fi re as I tried to guess what he was going to do. Of course I know he's a dirty bastard but he's cunning too.

He started to touch me lightly all over and my body tingled in anticipation of all the filthy things he would do to me. First my feet, then my thighs, then my back.

Phew – I could feel myself starting to sweat and that familiar sexual pulse pick up in my pussy. I felt his mouth over my wet pussy, as if he thought he could pierce my panties just with his questing thrusting tongue. Then he licked my wet knickers, pulling them up my snatch.

Then he crouched over me and forced his cock into my mouth, nearly choking me with his gorgeous tool. By this time I was desperate for him to fuck my wet cunt.

My big pink lips were wide open and at this point my boyfriend took a photo of my spread sex.

After this he looked round the room for things to penetrate my pussy and anus with. First of all he used a big hairbrush and shoved it straight into my sopping cunt, twirling it in my hole.

He then proceeded to grab my nasal spray and inserted it into my arsehole, spreading my little anus wide apart much to his and my delight.

He removed the hairbrush and tongued my soaking gash, lapping up my sweet juices. Then he got me to raise my legs into the air and took more photos of my naked body. I arched and thrust my pussy into the lens.

He bit my arse cheeks and thrust his tongue straight into my arsehole. By this time I was begging for him to fuck me with his huge cock. I wasn't disappointed – in fact I gasped as he stretched me with his hard but spongey man meat.

I wanted him to fill me with his spunk so I could lick our juices from his cock. Now it was my turn. I made him bend over and shoved a banana up his arse.

I then peeled it and ate it from between his legs. I then sat on his face and suffocated him with my twat as he had done to me with his cock.

I then stood above him and showered him with lots of golden piss which he eagerly lapped up. I can strongly recommend Tuscany for a fucking good holiday.

Laula knows all about games where you have to put a ball in the hole!!! "I once had a boyfriend who was a bit weird in the sack! He used to get off on putting his dick in me and also shoving his balls up inside me at the same time! It was all very strange but he seemed to enjoy himself so who was I to say 'no'."

LAY HER DOWN DIGITAL PLAYGROUND

Starring: Aubery Rose, Bailey Brooke, Caroline Sweets, Gia Page, Mariah, Mila Marx, Brannon Rhodes, Johnny Castle and Marco Ducati.

Well folks, it's not Halloween yet but this month we seem to be following a sinister theme, with all out slutty behaviour and this little gem from Digital Playground is no different. As secrets are literally laid to rest, after the discovery that one among them has been writing them down, these ladies show that they go to any lengths to hide their trysts. So sit back and relax into 3h and five mins of college coach hammering in the locker rooms and friends getting down and dirty in the bath. But between mouth fulls of gash, is there something lurking and waiting for revenge? Well, if there is, we hope they can wait till the scene is over as watching Caroline Sweets and Mila Marx comfort each other is a sight to behold. A sexy, dark thriller with a killer twist!
